

Handle Options

FULCRUM HANDLE OPTIONS

Fulcrum is available with a choice of four handles: a solid timber handle, a slim metal handle, a bar handle and the Fulcrum Professional handle (solid timber + stainless steel). Solid timber handles are matched to the selected veneer.

AMBUS HANDLE OPTIONS

Handles are optional on pedestals (recessed drawer pulls are fitted as standard to all pedestals). Storage units are fitted with handles as standard, except vertical tambour doors which have integral finger pulls. Handle options comprise the original Ambus satin chrome tubular bow handles, "Elegance" satin chrome flat-sided bow handles, and solid timber "Executive" handles.
