Natural Halifax Oak 3D MFC and Light Grey PerfectSense

PerfectSense

PerfectSense features a warm velvety MFMDf surface with anti-fingerprint properties that prevents unsightly smudges and smears.

Please note that these are samples for colour and pattern only, not material. If you would like a larger sample of any of the finishes please call Customer Service on 01384 400120 or email sales@sven.co.uk.

Colour accuracy

Due to variations in lighting and the limitations of print, variations in colour may occur between brochure illustrations and manufactured items. Samples of all our finishes are available on request from Customer Services.
